

YEAR IN REVIEW

2023

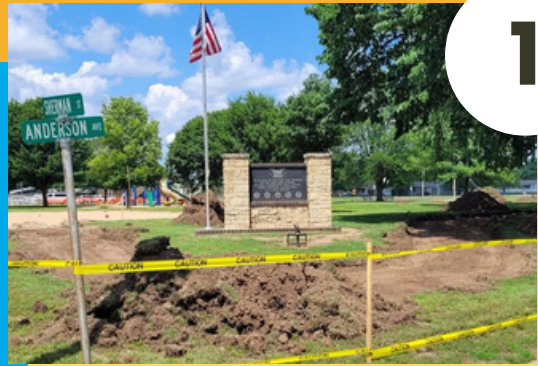

We extend our heartfelt gratitude to all our sponsors for choosing to include the Andale Community Foundation in their charitable endeavors this year.

Your unwavering support has been instrumental in shaping the vibrant tapestry of our beloved small town.

Andale Walking Path

We donated \$26,000 to the Andale Park Project to help install the walking path. We had a write-up in the Mt Hope Clarion as well.

Andale Public Library

We made a donation to update the outdoor area at the Andale Public Library.

YEAR IN REVIEW

2023

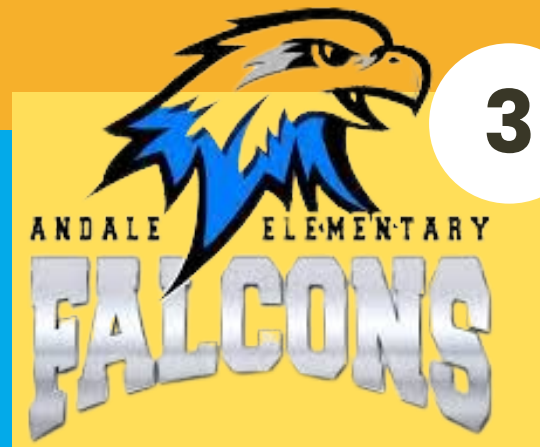

Your generosity fuels our mission to nurture the very fabric of our town, fostering connections, and creating memorable experiences for all.

It is with immense appreciation that we acknowledge your invaluable contributions, which enable us to curate and sustain activities that embody the essence of community living in Andale.

Andale Elementary Lunches

We contributed to the outstanding school lunch balance at AES.

3

Scholarship Essay Contest

Every year, we host a scholarship essay contest where the winner is chosen by a panel of community judges. The first-place winner is awarded \$1000, while the second and third-place winners each receive \$500.

YEAR IN REVIEW

2023

One of our city's favorite nights is the Music in the Park event, usually held around the 4th of July. Thanks to everyone's generous donations, this event is completely free. The music and all that entails are provided by the Andale Community Foundation.

Military Care Packages

We sent military care packages abroad, with each package representing a local active military member in our community.

5

Music in the Park

This year, we were delighted to showcase performances by Will Jones and Makayla Brownlee. The Foundation prepared smoked meat, with assistance from FFA members serving the meal, and Andale Jets 4H offering complimentary face painting. Moreover, we have Andale clothing merchandise available for purchase.

YEAR IN REVIEW

2023

A short month later is the Andale Summerfest, a longstanding event that brings our community together.

Once again, we express our deepest gratitude for your continued partnership and dedication to making Andale and its surrounding communities thrive. Together, we are crafting a legacy of compassion, camaraderie, and possibility.

Andale Summerfest

Inflatables are set up for the kids to enjoy, and the Community Foundation plays a key role in organizing the event and running certain activities throughout the day. Other community groups, including the 4-H with their petting zoo, also contribute to the festivities, making it a day centered around fun and family.

7

Christmas Caroling

As the year comes to a close, we embrace the spirit of the season with our Christmas caroling tradition. We spread joy by passing out candy canes while playing Christmas music, and even Santa joins us for the ride.
